**NOTICE OF (I) PENDENCY OF CLASS ACTION, CERTIFICATION OF SETTLEMENT CLASS,
AND PROPOSED SETTLEMENT; (II) SETTLEMENT FAIRNESS HEARING; AND (III) MOTION FOR
AN AWARD OF ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

TO: All persons who purchased or otherwise acquired the common stock of General Motors Company ("GM") during the period from November 17, 2010 through July 24, 2014, inclusive (the "Settlement Class Period"), and were damaged thereby.¹

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF PENDENCY OF CLASS ACTION: Please be advised that your rights may be affected by the above-captioned securities class action (the "Action") pending in the United States District Court for the Eastern District of Michigan (the "Court").

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Lead Plaintiff, the New York State Teachers' Retirement System ("Lead Plaintiff"), on behalf of itself and the Settlement Class (as defined in ¶ 18 below), has reached a proposed settlement of the Action for \$300,000,000 in cash that, if approved, will resolve all claims in the Action (the "Settlement").

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact GM, any other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see ¶ 72 below).

1. **Description of the Action and the Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendant GM and defendants Daniel F. Akerson, Nicholas S. Cyprus, Christopher P. Liddell, Daniel Ammann, Charles K. Stevens, III, Mary T. Barra, Thomas S. Timko, and Gay Kent (collectively, the "Individual Defendants," and, together with GM, the "Defendants") violated the federal securities laws by making false and misleading statements and omitting material information about GM's product warranty and recall liabilities, internal controls and commitment to safety. A more detailed description of the Action is set forth in paragraphs 12-17 below. The proposed Settlement, if approved by the Court, will resolve claims of the Settlement Class, as defined in paragraph 18 below.

2. **Statement of the Settlement Class's Recovery:** Subject to Court approval, Lead Plaintiff, on behalf of itself and the Settlement Class, has agreed to settle the Action in exchange for \$300,000,000 in cash (the "Settlement Amount"), which has been deposited into an escrow account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (a) any Taxes, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, and (d) any attorneys' fees awarded by the Court) will be distributed to Settlement Class Members according to a Court-approved plan of allocation. The proposed plan of allocation (the "Plan of Allocation") is set forth on pages 7 – 8 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiff's damages expert's estimate of the number of shares of GM common stock purchased during the Settlement Class Period that may have been affected by the conduct at issue in the Action, and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses and costs as described herein) is \$0.29 per affected share of GM common stock. Settlement Class Members should note, however, that the foregoing average recovery per share is only an estimate. Some Settlement Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased/acquired or sold their shares, and the total number of valid Claim Forms submitted. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth herein (see pages 7 – 8 below) or such other plan of allocation as may be ordered by the Court.

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated November 11, 2015 (the "Stipulation"), which is available at www.GMSecuritiesLitigation.com.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiff were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities laws or that damages were suffered by any members of the Settlement Class as a result of their conduct.

5. **Attorneys' Fees and Expenses Sought:** Plaintiffs' Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception, have not received any payment of attorneys' fees for their representation of the Settlement Class and have advanced the funds to pay expenses necessarily incurred to prosecute the Action. Court-appointed Lead Counsel, Bernstein Litowitz Berger & Grossmann LLP, will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 7% of the Settlement Fund. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution and resolution of the claims against the Defendants, in an amount not to exceed \$1 million, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiff directly related to its representation of the Settlement Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses. If the Court approves Lead Counsel's fee and expense application, the estimated average cost per affected share of GM common stock will be approximately \$0.02.

6. **Identification of Attorneys' Representatives:** Lead Plaintiff and the Settlement Class are represented by Salvatore J. Graziano, Esq. of Bernstein Litowitz Berger & Grossmann LLP, 1251 Avenue of the Americas, 44th Floor, New York, NY 10020, (800) 380-8496, blbg@blbglaw.com.

7. **Reasons for the Settlement:** Lead Plaintiff's principal reason for entering into the Settlement is the substantial and immediate cash benefit for the Settlement Class without the risks or the delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or indeed no recovery at all – might be achieved after contested motions, a trial of the Action and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden and expense of further protracted litigation.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM POSTMARKED NO LATER THAN APRIL 27, 2016.	This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in ¶ 26 below) that you have against Defendants and the other Defendants' Releasees (defined in ¶ 27 below), so it is in your interest to submit a Claim Form.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN MARCH 23, 2016.	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you ever to be part of any other lawsuit against any of the Defendants or the other Defendants' Releasees concerning the Released Plaintiffs' Claims.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN MARCH 23, 2016.	If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN MARCH 23, 2016, AND GO TO THE SETTLEMENT HEARING ON APRIL 20, 2016 AT 11:00 A.M.	Filing a written objection and notice of intention to appear by March 23, 2016 allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
DO NOTHING.	If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

WHY DID I GET THIS NOTICE?

8. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See paragraph 62 below for details about the Settlement Hearing, including the date and location of the hearing.

9. The Court directed that this Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired GM common stock during the Settlement Class Period. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement.

11. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

12. On March 21, 2014, the Action was commenced with the filing of a securities class action complaint in the United States District Court for the Eastern District of Michigan. By an Opinion and Order dated October 24, 2014, the Court appointed the New York State Teachers' Retirement System to serve as Lead Plaintiff in the Action and approved Lead Plaintiff's selection of Bernstein Litowitz Berger & Grossmann LLP to serve as Lead Counsel.

13. On January 15, 2015, Lead Plaintiff filed and served its 543-page Consolidated Class Action Complaint (the "Complaint"), asserting claims against all Defendants under Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder, and against the Individual Defendants under Section 20(a) of the Exchange Act. The Complaint alleges that Defendants made materially false and misleading statements and omitted material facts about GM's liabilities, internal controls and commitment to safety. Specifically, the Complaint alleges that, during the Settlement Class Period, Defendants: misrepresented, by materially understating, GM's product warranty and recall liabilities; misrepresented that GM's product warranty and recall liabilities complied with Generally Accepted Accounting Principles (GAAP); misrepresented that GM's internal controls over financial reporting were effective; and misrepresented that GM was a company that was committed to customer safety. The Complaint further alleges that GM and the Individual Defendants knew of or recklessly disregarded safety defects in the ignition switches contained in millions of GM's cars, failed to properly account for the associated financial liabilities and maintained grossly ineffective internal controls that were exploited in misrepresenting the Company's true liabilities. The Complaint also alleges that the price of GM common stock was artificially inflated as a result of Defendants' false and misleading statements and omissions, and declined when the truth was revealed through a series of corrective disclosures in 2014.

14. On April 8, 2015, the Court entered an Opinion and Order granting Lead Plaintiff's motion to lift the mandatory stay of discovery under the Private Securities Litigation Reform Act of 1995 ("PSLRA") and requiring GM to produce documents that GM had

produced, or would produce, to private litigants in a related multidistrict litigation pending in the Southern District of New York (the “MDL Litigation”). The Court also permitted Lead Plaintiff to serve document preservation subpoenas on certain third parties. Pursuant to this Opinion and Order, beginning on April 17, 2015, GM produced to Lead Plaintiff millions of pages of documents that GM had previously produced in the MDL Litigation; additional documents were subsequently made available to Lead Plaintiff as they were produced in the MDL Litigation. Prior to entering into the Settlement, Lead Counsel reviewed and analyzed millions of pages of documents produced by GM. Lead Plaintiff also served document preservation subpoenas on 16 third parties.

15. On March 13 and 18, 2015, Defendants moved to dismiss the Complaint. On May 15, 2015, Lead Plaintiff served its papers in opposition and, on July 10, 2015, Defendants served their reply papers. The Court had not ruled on the motions to dismiss when the Parties reached their agreement in principle to settle.

16. On September 16, 2015, the Parties reached an agreement in principle to settle the Action in return for a cash payment of \$300,000,000 that GM will pay or cause to be paid for the benefit of the Settlement Class. On November 11, 2015, the Parties entered into the Stipulation and Agreement of Settlement (the “Stipulation”) setting forth the terms and conditions of the Settlement. The Stipulation can be viewed at www.GMSecuritiesLitigation.com.

17. On November 20, 2015, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider whether to grant final approval to the Settlement.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT? WHO IS INCLUDED IN THE SETTLEMENT CLASS?

18. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

all persons and entities who purchased or otherwise acquired GM common stock during the period from November 17, 2010 through July 24, 2014, inclusive, and who were damaged thereby.

Excluded from the Settlement Class are Defendants, the directors and Officers² of GM at all relevant times, members of their Immediate Families and their heirs, successors or assigns, and any entity in which any Defendant or any member of the Immediate Family of any Individual Defendant has or had a controlling interest. Also excluded from the Settlement Class are any persons or entities who or which exclude themselves by submitting a request for exclusion in accordance with the requirements set forth in this Notice. See “What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself,” on page 8 below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU ARE A SETTLEMENT CLASS MEMBER AND YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN POSTMARKED NO LATER THAN APRIL 27, 2016.

WHAT ARE LEAD PLAINTIFF’S REASONS FOR THE SETTLEMENT?

19. Lead Plaintiff and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against the Defendants through a decision on Defendants’ motions to dismiss, summary judgment motions, trial and appeals, as well as the very substantial risks they would face in establishing liability and damages. Significantly, the Court had not ruled on the motions to dismiss when the Parties reached their agreement in principle to settle. Defendants raised credible arguments directed at the adequacy of Lead Plaintiff’s allegations concerning the accounting for warranty reserves, whether any internal control deficiencies were operational rather than financial, whether Defendants’ safety-related statements constituted puffery, and whether Defendants acted with sufficient knowledge or recklessness to satisfy the requisite standard for scienter. Moreover, a shareholder derivative suit in the Court of Chancery of the State of Delaware concerning GM’s handling of the same ignition switch defect at issue in this Action was recently dismissed.

20. Even if the Action had progressed beyond the motions to dismiss, Defendants had these and a number of additional significant arguments, including those relating to loss causation. For example, Defendants had substantial arguments that the decline in GM’s stock price was not caused by revelations concerning GM’s handling of the ignition switch defect, and that even if some portion of the decline in GM’s stock price was caused by such revelations, any resulting damages to Lead Plaintiff and the Settlement Class were extremely small. Had any of these arguments been accepted in whole or in part, it could have eliminated or, at a minimum, drastically limited any potential recovery. Further, Lead Plaintiff would have to prevail at several stages – motion to dismiss, motion for summary judgment, and trial, and even if it prevailed on those, on the appeals that were likely to follow. Thus, there were significant risks attendant to the continued prosecution of the Action, and there was no guarantee that further litigation would have resulted in a higher recovery, or any recovery at all.

21. In light of the aforementioned risks and others, Lead Plaintiff and Lead Counsel believe that the proposed \$300 million Settlement is fair, reasonable and adequate, and in the best interests of the Settlement Class.

² “Officer” means any officer as that term is defined in Securities and Exchange Act Rule 16a-1(f).

22. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Defendants have denied the claims asserted against them in the Action and deny that Lead Plaintiff or the Settlement Class suffered damages or that the price of GM common stock was artificially inflated by reasons of alleged misrepresentations, non-disclosures, or otherwise.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

23. If there were no Settlement and Lead Plaintiff failed to establish any essential legal or factual element of the claims against Defendants, neither Lead Plaintiff nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in their motions to dismiss, or in proving any of their defenses, either at summary judgment, at trial or on appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

**HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?
WHAT CLAIMS WILL BE RELEASED BY THE SETTLEMENT?**

24. As a Settlement Class Member, you are represented by Lead Plaintiff and Lead Counsel, unless you enter an appearance through counsel of your own choice, at your own expense. You are not required to retain your own counsel. Settlement Class Members may enter an appearance through an attorney if they so desire, but such counsel must file and serve a notice of appearance as provided in paragraphs 67 and 68 below and will be retained at the individual Settlement Class Member's expense.

25. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the Action against Defendants and will provide that, upon the Effective Date of the Settlement, Lead Plaintiff and each of the other Settlement Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, will have fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Plaintiffs' Claim (as defined in ¶ 26 below) against the Defendants and the other Defendants' Releasees (as defined in ¶ 27 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Plaintiffs' Claims against any of the Defendants' Releasees.

26. "Released Plaintiffs' Claims" means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, common or foreign law, that Lead Plaintiff or any other member of the Settlement Class (i) asserted in the Complaint, or (ii) could have asserted in any forum that arise out of or are based upon the allegations, transactions, facts, matters or occurrences, representations or omissions involved, set forth, or referred to in the Complaint and that relate to the purchase or acquisition of GM common stock during the Settlement Class Period. Released Plaintiffs' Claims do not include (i) any claims relating to the enforcement of the Settlement; (ii) any claims that are or were asserted in any ERISA or derivative actions pending or the subject of an appeal as of September 17, 2015; and (iii) any claims of any person or entity who or which submits a request for exclusion that is accepted by the Court.

27. "Defendants' Releasees" means Defendants and their current and former officers, directors, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, and attorneys, in their capacities as such.

28. "Unknown Claims" means any Released Plaintiffs' Claims which Lead Plaintiff or any other Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of such claims, and any Released Defendants' Claims which any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her or it, might have affected his, her or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiff and Defendants shall expressly waive, and each of the other Settlement Class Members shall be deemed to have waived, and by operation of the Judgment or the Alternate Judgment, if applicable, shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiff and Defendants acknowledge, and each of the other Settlement Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

29. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, will have fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Defendants' Claim (as defined in ¶ 30 below) against Lead Plaintiff and the other Plaintiffs' Releasees (as defined in ¶ 31 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiffs' Releasees.

30. "Released Defendants' Claims" means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, common or foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants' Claims do not include any claims relating to the enforcement of the Settlement or any claims against any person or entity who or which submits a request for exclusion from the Settlement Class that is accepted by the Court.

31. "Plaintiffs' Releasees" means Lead Plaintiff, all other plaintiffs in the Action, their respective attorneys, and all other Settlement Class Members, and their respective current and former officers, directors, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, and attorneys, in their capacities as such.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

32. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation **postmarked no later than April 27, 2016**. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.GMSecuritiesLitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 1-866-459-1720. Please retain all records of your ownership of and transactions in GM common stock, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE? WHAT IS THE PROPOSED PLAN OF ALLOCATION?

33. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement. A Claimant's recovery will depend upon several factors, including, when and at what prices he, she or it purchased/acquired or sold the shares, and the total number of valid Claim Forms submitted.

34. As set forth above, GM has agreed to pay or caused to be paid \$300 million to settle the Action. The Settlement Amount has been deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (a) all federal, state and/or local taxes on any income earned by the Settlement Fund and the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants); (b) the costs and expenses incurred in connection with providing notice to Settlement Class Members and administering the Settlement on behalf of Settlement Class Members; and (c) any attorneys' fees and Litigation Expenses awarded by the Court) will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

35. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal or review, whether by certiorari or otherwise, has expired.

36. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund or the plan of allocation.

37. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

38. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form postmarked on or before April 27, 2016 shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs' Claims (as defined in ¶ 26 above) against the Defendants' Releasees (as defined in ¶ 27 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendants' Releasees whether or not such Settlement Class Member submits a Claim Form.

39. Participants in and beneficiaries of a plan covered by ERISA ("ERISA Plan") should NOT include any information relating to their transactions in GM common stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those shares that they purchased or acquired outside of the ERISA Plan. Claims based on any ERISA Plan's purchases of GM stock during the Settlement Class Period may be made by the plan's trustees. To the extent any of the Defendants or any of the other persons or entities excluded from the Settlement Class are participants in the ERISA Plan, such persons or entities shall not receive, either directly or indirectly, any portion of the recovery that may be obtained from the Settlement by the ERISA Plan.

40. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her or its Claim Form. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

41. Only Settlement Class Members, *i.e.*, persons and entities who purchased or otherwise acquired GM common stock during the Settlement Class Period and were damaged as a result of such purchases or acquisitions will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms. The only security that is included in the Settlement is GM common stock.

PROPOSED PLAN OF ALLOCATION

42. The Plan of Allocation is not a formal damage analysis. Rather, the objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Settlement Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

43. In developing the Plan of Allocation, Lead Plaintiff's damages expert calculated the estimated amount of artificial inflation in the per share closing prices of GM common stock which allegedly was proximately caused by Defendants' alleged false and misleading statements and material omissions. In calculating the estimated artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Lead Plaintiff's damages expert considered price changes in GM common stock in reaction to certain public announcements allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes that were attributable to market or industry forces. The estimated artificial inflation in GM common stock is shown in Table A set forth at the end of this Notice.

44. In order to have recoverable damages, disclosure of the alleged misrepresentations or omissions must be the cause of the decline in the price of the GM common stock. In this case, Lead Plaintiff alleges that Defendants made false statements and omitted material facts during the period from November 17, 2010 through and including July 24, 2014, which had the effect of artificially inflating the prices of GM common stock. Alleged corrective disclosures removed artificial inflation from the price of GM common stock on March 11, 2014, March 12, 2014, March 13, 2014, April 9, 2014, April 11, 2014, and July 24, 2014.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

45. Based on the formula set forth below, a "Recognized Loss Amount" shall be calculated for each purchase or acquisition of GM common stock during the Settlement Class Period that is listed in the Proof of Claim Form and for which adequate documentation is provided. In the calculations below, if a Recognized Loss Amount calculates to a negative number, that Recognized Loss Amount shall be zero.

46. For each share of GM common stock purchased or acquired during the period from November 17, 2010 through and including the close of trading on July 24, 2014, and

(a) Sold prior to the close of trading on March 10, 2014, the Recognized Loss Amount is \$0.00.

(b) Sold during the period from March 11, 2014 through and including the close of trading on July 24, 2014, except for shares purchased on July 24, 2014, the Recognized Loss Amount shall be **the lesser of**: (i) the amount of artificial inflation per share as set forth in Table A on the date of purchase **minus** the amount of artificial inflation per share as set forth in Table A on the date of the sale; or (ii) the purchase price **minus** the sale price. For shares purchased on July 24, 2014 and sold prior to the close of trading on July 24, 2014, the Recognized Loss Amount shall be **the lesser of**: (i) \$0.44; or (ii) the purchase price **minus** the sale price.

(c) Held as of the close of trading on July 24, 2014, the Recognized Loss Amount shall be **the lesser of**: (i) the amount of artificial inflation per share as set forth in Table A on the date of purchase; or (ii) the purchase price **minus** \$35.07 (the closing price of GM shares on July 25, 2014, the day after the last day of the Class Period, at which point the inflation in the price of GM common stock due to the alleged fraud is assumed to have been completely dissipated).

ADDITIONAL PROVISIONS

47. The Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in paragraph 50 below) is \$10.00 or greater.

48. If a Settlement Class Member has more than one purchase/acquisition or sale of GM common stock during the Settlement Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out ("FIFO") basis. Settlement Class Period sales will be matched against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

49. A Claimant's "Recognized Claim" under the Plan of Allocation will be the sum of his, her or its Recognized Loss Amounts.

50. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a "Distribution Amount" will be calculated for each Authorized Claimant, which will be the Authorized Claimant's Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant's Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to such Authorized Claimant.

51. Purchases or acquisitions and sales of GM common stock will be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of GM common stock during the Settlement Class Period will not be deemed a purchase, acquisition or sale of GM common stock for the calculation of an

Authorized Claimant's Recognized Loss Amount, nor will the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of any GM common stock unless: (i) the donor or decedent purchased or otherwise acquired such shares during the Settlement Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares; and (iii) it is specifically so provided in the instrument of gift or assignment.

52. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the GM common stock. The date of a "short sale" is deemed to be the date of sale of the GM common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on "short sales" is zero.

53. Option contracts are not securities eligible to participate in the Settlement. With respect to GM common stock purchased or sold through the exercise of an option, the purchase/sale date of the GM common stock is the exercise date of the option and the purchase/sale price of the GM common stock is the exercise price of the option.

54. After the initial distribution of the Net Settlement Fund, the Claims Administrator shall make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so, the Claims Administrator shall conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determines that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit organization(s), to be recommended by Lead Counsel and approved by the Court.

55. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiff, Plaintiffs' Counsel, Lead Plaintiff's damages expert, Defendants, Defendants' Counsel, or any of the other Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Lead Plaintiff, Defendants and their respective counsel, and all other Defendants' Releasees, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the plan of allocation, or the determination, administration, calculation, or payment of any Claim Form or nonperformance of the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

56. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Lead Plaintiff after consultation with its damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Settlement Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the settlement website, www.GMSecuritiesLitigation.com.

WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING? HOW WILL THE LAWYERS BE PAID?

57. Plaintiffs' Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor have Plaintiffs' Counsel been reimbursed for their out-of-pocket expenses incurred in the prosecution of this Action. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 7% of the Settlement Fund. At the same time, Lead Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed \$1 million, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiff directly related to its representation of the Settlement Class. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. **Settlement Class Members are not personally liable for any such fees or expenses.**

WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS? HOW DO I EXCLUDE MYSELF?

58. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written Request for Exclusion from the Settlement Class, addressed to *New York State Teachers' Retirement System v. General Motors Company*, EXCLUSIONS, c/o Garden City Group, LLC, P.O. Box 10262, Dublin, OH 43017-5762. The exclusion request must be **received no later than March 23, 2016**. You will not be able to exclude yourself from the Settlement Class after that date. Each Request for Exclusion must: (a) state the name, address and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact person; (b) state that such person or entity "requests exclusion from the Settlement Class in *New York State Teachers' Retirement System v. General Motors Company*, No. 14-cv-11191"; (c) state the number of shares of GM common stock that the person or entity requesting exclusion purchased/acquired and/or sold during the Settlement Class Period (from November 17, 2010 through July 24, 2014, inclusive), as well as the dates and prices of each such purchase/acquisition and sale; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A Request for Exclusion shall not be valid and effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

59. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs' Claim against any of the Defendants' Releasees.

60. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

61. Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiff and Defendants.

70. **Unless the Court orders otherwise, any Settlement Class Member who does not object in the manner described above will be deemed to have waived any objection and shall be forever foreclosed from making any objection to the proposed Settlement, the proposed Plan of Allocation, or Lead Counsel's motion for an award of attorneys' fees and reimbursement of Litigation Expenses. Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.**
